Answers: 2.2.2.3 Lab- Diagnostic Software

Use the Internet, a newspaper, or a local store to gather information about a hard drive diagnostic program. Be prepared to discuss the diagnostic software you researched.

a. Based on your research, list at least two different hard drive manufacturers.

b. Based on your research, choose a hard drive manufacturer. Does this manufacturer offer hard drive diagnostic software to go with their products? If so, list the name and the features of the diagnostic software.

c. Why do manufacturers offer hard drive diagnostic software? What are the potential benefits of doing so to the manufacturer and/or customer?
