

Answers: 9.3.1.5 Lab – Research Laptop RAM

In this lab, you will use the Internet, newspaper, or a local store to gather information about expansion memory for a laptop.

1. Research the manufacturer specifications for the memory in a laptop. List the specifications in the table below:

Memory Specifications	Laptop Expansion Memory
Form Factor	
Type	
Size (GB)	
Manufacturer	
Speed	
Slots	

2. Shop around, and in the table below list the features and costs for expansion memory for a laptop.

Memory Specifications	Expansion Memory
Form Factor	
Type	
Size (GB)	
Manufacturer	
Speed	
Retail Cost	

3. In your research, did you find any reason to select a particular type of expansion memory over another?

4. Is the new expansion memory compatible with the existing memory installed in the laptop? Why is this important?
